

Pro Studio 65

Active speakers for professional and home entertainment use

The Pro Studio 65 premium quality loudspeakers are designed for near-field monitoring. Powerful performance combined with smooth, truthfully natural sound. The units are self-powered and each speaker element is individually amplified with a 64 W integrated amplifier. Pro Studio speakers are equipped with line level analog input and output connectors (XLR) for perfect compatibility with balanced signal sources.

Pro Studio 65 main features:

- Superb sound quality
- High quality components
- Integrated security circuit
- Magnetic shielding
- XLR input/output connectors
- 24 months warranty
